Memorandum

Date: September 1, 2015
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor 
Subject: Homestead Community Redevelopment Agency FY 2014-15 Budget

Recommendation

It is recommended that the Board of County Commissioners (Board) consider the attached resolution approving the Homestead Community Redevelopment Agency's (Agency) FY 2014-15 Budget for the Homestead Community Redevelopment Area (Area). The Agency's Budget includes revenues and expenditures in the amount of \$2,594,100.00.

Scope

The Area lies within Commission Districts 8 and 9, which are represented by Commissioner Daniella Levine Cava and Commissioner Dennis C. Moss, respectively.

Fiscal Impact / Funding Source

The Agency's main revenue source is generated through the incremental growth within the Area of ad valorem revenues beyond an established base year, tax increment financing (TIF), as defined in Section 163.387 of the Florida Statutes. The Countywide TIF revenue payment into the Agency's Trust Fund for FY 2014-15 is \$790,208.00 and the City of Homestead's (City) TIF revenue payment into the Trust Fund is \$1,028,315.00.

The County will continue to make annual payments to the Agency through 2024, which is when the Agency will sunset.

Track Record / Monitor

This item does not provide for contracting with any specific entity and only approves the Agency's FY 2014-15 Budget of \$2,594,100.00 (Exhibit A).

Background

On June 7, 1994, the Board approved the establishment of the Agency when it adopted the Agency's Community Redevelopment Plan (Plan) pursuant to Resolution No. R-915-94 and funded the Plan when it enacted Ordinance No. 94-125 (Trust Fund). An Interlocal Agreement between Miami-Dade County and the Agency was also approved by the Board on June 7, 1994, and was later amended on July 27, 2004 to include a Community Policing Program.

The Interlocal Agreement requires that the Agency submit its budget for approval at the beginning of each County fiscal year and further states that the County's approval shall not be unreasonably withheld or delayed. It would be reasonable for the County to withhold approval of a budget containing expenditures inconsistent with the Plan. Unlike other Interlocal Agreements, it does not expressly state that the Agency may not engage in any spending until the County approves the budget.

The Agency's FY 2014-15 budget of \$2,594,100.00 was approved by the Agency on September 9, 2014, and by the City on September 23, 2014. The budget includes revenue sources of County and City TIF revenue payments totaling \$790,208.00 and \$1,028,315.00, respectively; carryover from prior years totaling \$725,447.00; and interest earnings totaling \$50,130.00.

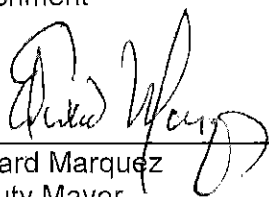

Administrative expenditures total \$434,400.00, excluding the 1.5 percent County Administrative Charge (\$11,900.00), and represent 17 percent of total expenditures, which satisfies the 20 percent cap in administrative expenditures required by the Interlocal Agreement.

Operating expenditures total \$2,121,900.00 and are broken down as follows:

1. \$410,000.00 for building construction and improvements that include the:
 - Commercial Enhancement Program to assist building owners and tenants in making exterior and interior building repairs (\$200,000.00);
 - Planning Phase of a multi-story parking facility in the downtown area (\$110,000.00); and
 - Residential Grant for the improvement of curb appeal and necessary emergency repairs to make homes safe and secure (\$100,000.00).
2. \$365,900.00 for general operating expenses that include:
 - Maintenance of Agency properties and renovate landscapes to enhance Area aesthetics (\$229,600.00);
 - Special events held at Losner Park and Roby George Park to support and promote the businesses in the Downtown Historic District and the SW Neighborhood (\$70,000.00);
 - Cleaning services, utilities, telephone, travel and training (\$54,800.00);
 - Building repairs and maintenance as needed on Agency's properties (\$10,000.00); and
 - Vehicle repair and maintenance of one (1) Agency-owned vehicle (\$1,500.00).
3. \$363,000.00 for a debt service payment on a bond that matures in 2020.
4. \$494,800.00 for the cost of two (2) police officers, two (2) code compliance officers and related expenses.
5. \$158,500.00 for the salary and fringes for four (4) employees related to redevelopment projects, including a 20 percent share of one (1) Planning and Zoning Assistant in charge of processing all related aspects of the Area's Historic Preservation District.
6. \$118,500.00 for contractual services that include:
 - Painting over graffiti, mowing alley ways and right-of-ways and trash removal with the State of Florida (\$93,500.00); and
 - Professional services including appraisal reports, surveying, mapping and environmental studies as needed (\$25,000.00).
7. \$111,200.00 for other operating expenditures including insurance, legal services and marketing.
8. \$100,000.00 for assistance to non-profit organizations. These funds will be awarded after conducting a competitive process through which the Agency will seek applicants, and through a review committee that will evaluate applications for funding to determine eligibility and award amounts.

The budget also includes a contingency reserve of \$25,900.00.
